The troop is signed up for Klondike with ten Scouts for a sled, a four Scout GPS team and four adults. The next few meetings will be focused on Klondike Preparation. I will once again be entering the Scoutmaster Dutch Oven Cook-off to uphold my winning record! I need a cheering section or it won't work! Please plan on attending!

Scout Sunday is coming up. We will need Scout volunteers to be ushers and to read a Scripture passage. We may have a troop campsite set up out front!
