## *Scoutmaster's Minute*

Now is the time to get your books in order. With summer camp coming up and our court of honor in August you need to focus carefully on your Scout handbooks. In camp, the leaders will make every effort to keep you squared away but ultimately the responsibility is your to make sure your books are up to date.

The troop started GPS training this month and the Scouts found a geocache in Sykesville. On the meeting at Freedom on 29 June the patrols will be conducting a Geocach game so please try to attend.

## *Camping and Whitewater Rafting!*

The troop has rescheduled our rafting trip for 20-22 June. We promised the boys and we want to make it happen.

## *New Calendar for 2010/11!*

For past few weeks I have been working on our calendar for next year. At the last PLC the boys reviewed the calendar and approved the activities. At the last committee meeting the leaders approved the activities and will begin the tough task of organizing the dates. The calendar will be on the website. Parents please put the dates on your calendars and begin the planning!
